

Catch Up Premium: November 2020

Catch Up Premium Background Information

Allocation

Allocations have been calculated on a per pupil basis, providing each mainstream school with a total of £80 for each pupil in years Reception through to Year 11.

See school overview below.

Use of funds (Information from the guidance)

Schools should use this funding for specific activities to support their pupils to catch up for lost teaching over the previous months, in line with this guidance

<https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirusoutbreak/guidance-for-full-opening-schools#section-3-curriculum-behaviour-and-pastoral-supportt>

Schools have the flexibility to spend their funding in the best way for their cohort and circumstances. To support schools to make the best use of this funding, the Education Endowment Foundation has published a support guide for schools with evidence-based approaches to catch up for all students.

<https://educationendowmentfoundation.org.uk/covid-19-resources/national-tutoringprogramme/covid-19-support-guide-for-schools/#nav-covid-19-support-guide-for-schools1>

Schools should use this document to help them direct their additional funding in the most effective way. This could include, for example: small group or one-to-one tuition (particularly through the National Tutoring Programme) summer programmes to help re-engage pupils or extra teaching capacity from September.

Little Thurrock Primary School

Headteacher Mr. A. Hook

Address Rectory Road, Grays, Essex. RM17 5SW
