Summary of Primary Sport Premium 2019 – 2020				
<p>Objectives of spend:</p> <ul style="list-style-type: none"> • Improve the provision of PE & School Sport by developing or adding to the PE, physical activity and sport activities that we already offer. • Ensure that PE & School Sport is judged as at least good by external monitoring. • Broaden the sporting opportunities and experiences available to pupils. <p>To develop a love of sport and physical activity.</p>				
Outline of Forecasted Spend of Primary Sport Premium 2019-2020 (examples below please edit)				
Item/project	Cost	Objectives	Outcome	Impact
Entry to Thurrock SSP sports competitions	£400	To ensure pupils in all key stages have the opportunity to compete in Thurrock SSP events.	More children to participate in competitions and across a variety of areas.	Increase confidence in competing beyond the school.
Sports equipment	£2000	Replenish current stock of equipment for lunchtimes and PE lessons	To ensure that provision in PE is 'good or better' and that more children are exceeding than last year.	Children develop their skills in playing with a variety of equipment
Hire of Athletics Track	£500	To provide and broaden the children with experiences that they wouldn't otherwise have.	Children to be more confident when competing at athletics competitions.	<i>Will be hired before Borough Olympics in the Summer Term to increase confidence for the event.</i>

Bicycles, Helmets and storage	£120 £450 £2000	To develop the children's positive attitudes towards a healthy lifestyle by using equipment they would not otherwise have access to. To provide the children with a broader experience of a range of sports.	Children to build on skills for the future. Children will take part in more physical activity than they would have before.	Develop skills in playing with a variety of equipment in a safe way.
Additions to the outdoor equipment and landscape , with a particular focus on the EYFS	£4000 £6000	To develop the children's positive attitudes towards a healthy lifestyle by using equipment they would not otherwise have access to. To create an EYFS space that allows children to improve their physical development.	Children will take part in more physical activity than they would have before, and hopefully continue year after year, and on into secondary. Children to understand that there can be more to Physical Activity than just in lessons.	Children to use a variety of equipment and engage in purposeful activities.
Extra curricular clubs	£1120	To provide children with opportunities to access sporting clubs and some alterative clubs.	An increased participation in clubs and alternative clubs.	Pupils to enjoy sports coaches delivering alternative activities.

Lunchtime clubs	£1120	To provide children with focused sporting activities during lunchtime.	For pupils to engage in a purposeful activity and develop their sporting skills.	Pupils engage in focused activities and enjoy lunchtimes. Pupils develop team working skills.
Sports Ambassadors Training	£180	To develop Pupils confidence as sporting leaders.	Pupils lead and engage others in sporting activities	Pupils become active and some develop as leaders.
Additional swimming lessons	£338	To provide additional top-up swimming lessons to pupils who have not been able to meet the national curriculum requirements for swimming and water safety after the delivery of core swimming and water safety lessons.	A higher proportion of KS2 pupils will have reached the national curriculum requirements for swimming.	More children leave school being able to swim confidently and are safer in the water.
Skiing lessons for Year 5 cohort	£2000	To provide children with experiences they wouldn't usually have.	An increased participation in unusual/different sports, and more children taking risks.	Raises children aspirations and exposure to alternative sports.

Scooter Racks	£1000	To encourage pupils to scoot to school and become more active.	Less people drive to school and children become more active	Pupils scoot to school and improve their fitness.
